A New Community Service provided by **Kinship Center**[®]

Kinship Center is now offering psychotherapy, psychological testing and psychiatric services for children, families, and adults who are not served by Medi-Cal. Providers include Sharon Riley, MFT, Jill Walker, PhD, and Kevin Park, MD.

Our specialties include issues related to:

- Adoption/relative caregiving
- Childhood trauma
- Attachment
- Grief and loss
- Depression and/or anxiety
- Learning and other school-related problems

Services are offered on a fee basis at the following rates:

Psychotherapy	\$110.00 per hour, with limited slots for Victim Witness compensation.
Psychological Testing	\$140.00 per hour. Typical evaluation requires approximately 20 hours, and includes parent and teacher interviews, school observation, test administration, report writing and a feedback session. Exact fee will be set after a free phone consultation.
Psychiatric Services	\$400.00 for evaluation, \$250.00 for extended return visit, or \$150.00 for a short return visit.

Payment is expected at the time of service; credit cards are accepted.

An invoice will be provided for those clients who would like to seek reimbursement from their insurance company.
